## THE ESG INSTITUTE

Sustainable finance is reshaping the financial world. But navigating the complexity of sustainable investing, green financial products, and disclosure frameworks can be overwhelming.

Staying ahead means understanding how ESG, climate risk, and finance intersect – and how to turn that knowledge into action.

The **Sustainable Finance Diploma** gives you the skills and confidence to lead in this space. From ESG fundamentals to carbon markets, green fintech, and nature-based solutions, this course offers a holistic and practical journey through the world of sustainable finance.

# THE ESG INSTITUTE
