Master the UAE Climate Disclosure Requirements with the Diploma in UAE Climate Law

www.the-esg-institute.org

THE ESG INSTITUTE

The UAE Federal Decree-Law No. 11 of 2024 on the Reduction of Climate Change Effects establishes a new regulatory era, one where climate accountability is legally enforceable, operationally demanding, and strategically essential.

The **Diploma in UAE Climate Law** by The ESG Institute provides legal, compliance, and sustainability professionals with a comprehensive understanding of the law's obligations, enforcement mechanisms, and strategic implications.

It prepares leaders to confidently navigate the regulatory landscape, implement effective compliance programmes, and turn legal alignment into long-term competitive advantage.
